Performance & Tools: Core Web Vitals, technical SEO, Shopify migrations, Git, GitHub, Vercel, npm, Figma, Postman, Chrome DevTools

PROFESSIONAL EXPERIENCE

Full-Stack Web Developer | MGN Ventures

April 2026 – Present | Karachi, Pakistan

- Develop and maintain WordPress, Shopify, WooCommerce, Laravel, React.js, and Next.js solutions for client websites, storefronts, and custom applications.
- Build custom WordPress themes and plugins; create Shopify 2.0 storefronts from Figma with reusable Liquid sections and mobile-first product pages.
- Implement Laravel REST APIs, admin dashboards, and authentication; integrate Stripe/PayPal checkouts, webhooks, subscriptions, and order functions.
- Develop storefront features including mega menus, predictive search, Ajax quick view, product add-ons, and multilingual support.
- Optimize Core Web Vitals and support Shopify migrations with variants, 301 redirects, catalogs, and order-history considerations.
- Use staging environments, version control, documented handovers, and direct client coordination to support reliable releases.

Full-Stack Web Developer | Tafsol Technology Pvt. Ltd.

January 2024 – March 2026 | Karachi, Pakistan

- Developed production websites and applications for e-commerce, corporate, and service clients using WordPress, Shopify, Laravel, React.js, and Next.js.
- Created custom WordPress themes/plugins, Shopify storefronts, responsive interfaces, and reusable components with HTML, CSS, JavaScript, and Bootstrap.
- Built Laravel/MySQL dashboards and database-backed applications with REST APIs, authentication, RBAC, and third-party services.
- Integrated Stripe/PayPal checkout flows, webhooks, subscriptions, refunds, and order-management functionality.
- Improved page speed, technical SEO, and cross-browser performance while managing concurrent projects and Git-based deployments.

SELECTED CONTRIBUTIONS

- Delivered e-commerce, SaaS, corporate, and service projects with reusable React components and structured Laravel modules.
- Integrated external APIs and commerce services to improve customer journeys and business workflows.

EDUCATION

BS Information Technology | Sindh Agriculture University, Tandojam | 2019 – 2023
