PROFESSIONAL EXPERIENCE

Full-Stack Web Developer

January 2024 – Present

Tafsol Technology Pvt. Ltd. | Karachi, Pakistan

- Develop and maintain production-ready websites using WordPress, Shopify, Laravel, React.js, and Next.js.
- Build custom WordPress themes and plugins based on client requirements, enhancing website functionality, performance, and user experience.
- Design and develop custom Shopify storefronts, product pages, theme customizations, and third-party API integrations for e-commerce businesses.
- Develop full-stack web applications using Laravel, including admin dashboards, REST APIs, authentication systems, role-based access control (RBAC), and database-driven features.
- Create responsive and interactive user interfaces using HTML, CSS, JavaScript, Bootstrap, React.js, and Next.js, ensuring cross-browser compatibility and scalability.
- Integrate payment gateways such as Stripe and PayPal, managing checkout flows, API connections, webhooks, refunds, subscriptions, and order management systems.
- Optimize WordPress, Shopify, Laravel, and Next.js applications for performance, SEO, and Core Web Vitals to improve search visibility and user engagement.
- Collaborate with clients to gather requirements, provide technical solutions, and deliver projects on schedule.
- Manage multiple web development projects simultaneously while maintaining quality standards, meeting deadlines, and supporting ongoing application enhancements.
- Utilize Git, GitHub, REST APIs, and modern development workflows for version control, deployment, and team collaboration.

Key Achievements

- Delivered client projects across WordPress, Shopify, Laravel, React.js, and Next.js spanning e-commerce, SaaS, corporate, and service-based industries.
- Built and deployed scalable Laravel and React.js applications with secure authentication, REST API integrations, and third-party services.

- ▶ Improved project delivery efficiency through reusable code structures, component-based React.js development, and Laravel best practices.
- ▶ Developed modern web solutions leveraging WordPress, Shopify, Next.js, Stripe integrations, and custom APIs to enhance business operations and customer experience.
